SUBJECT: Work Session: Dubuque Regional Bicycle & Pedestrian Plan

DATE: March 8, 2023

INTRODUCTION

This memo transmits information to City Council for a work session on the Dubuque Regional Bicycle & Pedestrian Plan.

BACKGROUND

Working with member cities and counties, regional and state agencies, the East Central Intergovernmental Association (ECIA) is developing a plan to expand and improve the bicycle and pedestrian network as part of the regional transportation system. More information on the plan can be found at the following link:

<https://eciatrans.org/projects/bikepedestrianplan.cfm>.

DISCUSSION

The Dubuque Regional Bicycle and Pedestrian Plan is being led by Laura Carstens and Dan Fox of ECIA with partners from across Dubuque County and the Dubuque metropolitan area, including City of Dubuque staff. Public meetings for the plan were held in Dubuque and Dyersville, and a public survey is taking online feedback.

To create a plan that accurately reflects the needs of the region, ECIA needs input from members of the community and leaders who represent them.

At the work session, Laura and Dan will give a PowerPoint presentation on the status of Plan.

REQUESTED ACTION

This information is being provided to facilitate the work session with City Council and ECIA staff.
