

**TO:** The Honorable Mayor and City Council Members

**FROM:** Michael C. Van Milligen, City Manager

**SUBJECT:** Proposed Amendment to Master Co-location and Shared Services Agreement Between the City of Dubuque and Unite Private Network

**DATE:** March 14, 2023

Civil Engineer II Dave Ness, Information Services Manager Chris Kohlmann, and David Lyons Sustainable Innovation Consultant are recommending City Council approval of an amendment to an existing Master Agreement and Project Statement between the City of Dubuque and Unite Private Network (UPN).

UPN would like to undertake an additional project that would provide broadband capacity and support for enhanced telephony services in several business districts in the City. There is no negative budgetary impact to the approval of the proposed additional projects

I concur with the recommendation and respectfully request Mayor and City Council approval.

  
Michael C. Van Milligen
