TO: The Honorable Mayor and City Council Members

FROM: Michael C. Van Milligen, City Manager

SUBJECT: Jule Public Hearing Iowa Department of Transportation's Consolidated Funding Application

DATE: June 24, 2020

In order to receive the state operating and maintenance allocations for Fiscal Year 2021, The Jule is required to submit a Consolidated Funding Application. This annual application requires that, along with other documents, a Certificate of Cost Allocation Plan, a Lobbying Cost Certificate and an Authorizing Resolution be submitted. The Jule, as the public transit agency operated by the City of Dubuque, receives a portion of its annual operating funds from the Iowa Department of Transportation/Office of Public Transit and/or Federal Transit Administration. The timely submittal of the Consolidated Funding application is critical to ensuring the release of funds.

Director of Transportation Services Renee Tyler recommends City Council approval of the Consolidated Funding Application as submitted to the Iowa Department of Transportation and approval of signature on the Lobbying Cost Certificate, Certificate of Cost Allocation Plan and Authorizing Resolution.

I concur with the recommendation and respectfully request Mayor and City Council approval.

SUBJECT: Jule Public Hearing Iowa Department of Transportation's Consolidated Funding Application

DATE: June 23, 2020

PURPOSE

To request approval of the annual Consolidated Funding Application from the Iowa DOT, forms requiring signature by the City Manager, and to secure a formal authorizing resolution from city council.

BACKGROUND

To receive the state operating and maintenance allocations for FY21, The Jule is required to submit a Consolidated Funding Application (CFA). This annual application requires that, along with other documents, a Certificate of Cost Allocation Plan, a Lobbying Cost Certificate, and an Authorizing Resolution be submitted. The Jule, as the public transit agency operated by the City of Dubuque, receives a portion of its annual operating funds from the Iowa Department of Transportation (IA DOT)/Office of Public Transit (OPT) and/or Federal Transit Administration (FTA). The timely submittal of the Consolidated Funding Application is critical to ensuring the release of funds.

DISCUSSION

The City of Dubuque d.b.a. The Jule is, as a federally and state funded public transit agency, prohibited from engaging in behaviors that are not consistent with current Federal and State laws regarding accounting and reporting practices and use of federal/state funding for purposes of lobbying.

By signing the Certificate of Cost Allocation Plan (Plan) the City of Dubuque (City) is certifying that it follows 2 CFR Part 225 "Cost Principles for State, Local and Indian Tribal Governments," including generally accepted accounting principles, that an adequate accounting and statistical system exists, that information in support of the Plan is accurate, and that all federally unallowable costs have been excluded from allocations. The Plan refers to the funding amounts shown in the Authorizing Resolution.

By signing the Authorizing Resolution, city council states that it (1) authorizes Renee Tyler, Director of Transportation Services, to apply for The Jule's annual operating and maintenance allocations from IDOT and (2) has sufficient non-federal funds or sufficient in-kind match to provide local match.

BUDGET IMPACTS

The following funding/revenue amounts are budgeted and will be received if the Consolidated Funding Application and required documentation are submitted.

The State Operating Allocation and 5310 funding is determined by combining annual fixed route and paratransit service ridership, revenue miles and operating expenses, which is weighted along with locally generated revenue/financial support. The total population of each city or region is portioned as a percentage of Iowa's total population, which is weighted to percentage of formula funding. The Jule's share of funding for FY20 is 2.01608950%.

In Fiscal Year (FY) 2021, the IA DOT/ Office of Public Transit (OPT) has projected that The Jule's State Operating Allocation will be \$305,165 and the Section 5310 formula allocation will be \$120,091 for a projected total of \$425,256 in FY 2021 allocated funding.

The Jule received a grant for marketing funds to promote the Intermodal Center. The maximum award is \$7,500.

RECOMMENDATION/ACTION STEP

It is recommended that the City Council approve the Consolidated Funding application as submitted, and approve signature of the Lobbying Cost Certificate, Certificate of Cost Allocation Plan and Authorizing Resolution.
